

(UPDATED List of key supporters of both bills)

TEAMWORK !!

Introduction: It seems all my lawmakers (of both parties) are scared of their shadow with regard to “doing the right thing” in both “spending cuts” and “tax cuts.” So, I’ve found more “supporters” for both bills—and am updating my list accordingly.

American lawmakers need to stop the obscenely high hemorrhage/bleedout in the current excessive taxing and spending – lest we CRASH THE U.S. DOLLAR and collapse the economy!

– THEREFORE, oh ye lawmakers, ye who be afraid—have faith and fear not: See how many **other** supporters there are, and stop cowering in fear: **ACT before we crash the dollar!!**

My father (the late Bobby Watts, R.I.P., dad) once told me that if I was trying to fight a problem that was too big for me, to NOT “go it alone,” but rather, ask for help from others **to add their voice to mine**. To that end, here are lists (*with references*) of supporters of all bills for which I’m asking your advocacy & support, Federal LAWMAKERS—but this advice is also good for local city, county, and state lawmakers—and also citizens!

List of key supporters of the various “Collegiate Loan Bankruptcy” Equality bills

(1) President Donald J. Trump (R-U.S.A.) – Conservative Republican: “Trump Includes Student Loan Forgiveness In Latest Stimulus Proposal, Signaling Its Broad Appeal,” by Adam S. Minsky, Esq., *FORBES*, October 11, 2020, **LINK:** <https://www.Forbes.com/sites/adamminsky/2020/10/11/trump-includes-student-loan-forgiveness-in-latest-stimulus-proposal-signaling-its-broad-appeal>

Comments: Of all the 'supporters' listed, this is the “odd one out,”[*] insofar as Pres. Trump does not (as yet, at time of press) explicitly support Student Loan Bankruptcy, but it is implicit in his actions: He has not only gotten bankruptcy himself—multiple times—for HUGE SUM\$ – but also, his support for some version of Student Loan Cancellation / Forgiveness—ever how small in quantity—is yet more radical/ extreme –than the milder, more-regulated (by BK courts) bankruptcy availability. **Thus, his support is implicitly/ tacitly implied.**

[*]UPDATE: Local conservative Republican businessman, Jim Sapp, #17, below, takes a similar position.

(2) President Joseph R. “Joe” Biden (D-U.S.A.) – Incumbent President, Democrat: QUOTE: “Biden is adopting Senator Warren’s comprehensive proposal, [Fixing Our Bankruptcy System to Give People a Second Chance](#). In 2005, Biden worked hard to add progressive reforms to a bankruptcy bill that was going to be passed with or without him. Today, he agrees firmly with Senator Warren that we need to fundamentally reshape our bankruptcy system. [] As [described](#) by Senator Warren in her plan, this plan will:...End the absurd rules that make it nearly impossible to discharge student loan debt in bankruptcy.” **Source:** “**THE BIDEN PLAN FOR BANKRUPTCY REFORM,**” *JoeBiden.com (Official Campaign page)*, © Copyright 2021. “Fair Use” quote. **LINK:** <https://JoeBiden.com/bankruptcyreform/> **Thus, his support is explicitly/ plainly stated.**

(8) Rep. David W. Jolly (R-FL-13th) former member of Congress who was a life-long Republican, who served in Congress from 2014 to 2017, following the death of his mentor and former boss, Rep. C.W. “Bill” Young – and a staunch opponent of the Affordable Care Act and abortion –but who quit the GOP and registered as “Independent” only over differences with President Trump: **Cosponsor of H.R.449 - Discharge Student Loans in Bankruptcy Act of 2015, 114th Congress (2015-2016)**

(9) Rep. Matt Gaetz (R-FL-01st) Conservative Republican: Representative Gaetz, who is one of the most Conservative Members of Congress (and one of President Trump's staunchest & most ardent supporters) gave an eloquent speech in the recent House Judiciary Committee “markup” Meeting in support of H.R.2648, the Student Loan Bankruptcy bill, which was previously enrolled.

(10) Sen. John Cornyn (R-TX) Conservative Republican: Senator Cornyn: “Original cosponsor” of S.2598 - FRESH START Through Bankruptcy Act, 117th Congress (2021-2022) – Sen. Cornyn makes key comments in the Senate Judiciary Committee Meeting in support of S.2598, the Student Loan Bankruptcy bill, about how both “important relief” to students and “accountability for schools” have to “hand in hand,” to segue off of prior remarks by Sen. Chuck Grassley (R-IA), who had said: “I’m willing to take a look at your [student loan bankruptcy bill] legislation...”

(11) Sen. Josh Hawley (R-MO) Conservative Republican: Senator Hawley: Cosponsor of S.2598 - FRESH START Through Bankruptcy Act, 117th Congress (2021-2022) – Senator Hawley, who is *also* one of the most Conservative Members of Senate (and one of President Trump's staunchest & most ardent supporters) gave an eloquent speech in the recent Senate Judiciary Committee Meeting in support of S.2598, the Student Loan Bankruptcy bill, which is currently enrolled, about while he didn't support “cancellation,” he couldn't think of many good reasons to keep student debtors as “lifelong serfs” to banks & universities.

NEW: LOCAL Republican Club Leaders (Central Florida GOP leadership)

(12) Judy Wise, President, Plant City (Fla.) Republican Women Federated, supports student loan bankruptcy bill, S.2598 - FRESH START Through Bankruptcy Act, 117th Congress (2021-2022).

(13) Dr. Ed Shoemaker, President, Faith Based Republican Club of West Polk Cty., Fla., Republican Party of Florida State Committeeman for Polk Cty., and RPOF CD15 Chair, supports student loan bankruptcy bill s2598.

(14) Paul Hatfield, Vice President, Faith Based Republican Club of West Polk Cty., Fla., Club Chaplain, and CFCA (Christian Financial Advisors Association) financial advisor, supports student loan bankruptcy bill s2598.

(15) Angel S. Urbina-Capo, President, Metro Tampa Republican Club, and Republican Candidate for Congress Dist.14, (Greater Tampa Bay, central FLORIDA), and CEO of Urbitech Systems, strongly supports student loan bankruptcy as a Conservative alternative to Liberal higher education policies.

(16) Although not formally a member of the local Republican Party leadership (like 12—15, above), I am adding in my good friend, Jim Sapp, who is an exceptionally Conservative Republican local LAKELAND FLORIDA businessman, whose quote (shown below) is strong implicit support for Student Loan Bankruptcy.

(17) Dr. A. Wayne Johnson, Conservative Republican: Dr. Johnson, who was a recent COO (Chief Operating Officer) of the U.S. DEPARTMENT OF EDUCATION'S Federal Student Aid Program, **is probably the nation's top expert on American Higher Education lending**—and Dr. Johnson supports Student Loan Bankruptcy—and estimates that EIGHTY-FIVE (85%) PERCENT of Student Loans in American Higher Ed will NEVER be repaid—as sobering fact which is almost damning proof and irrefutable evidence that the current illegal price-gouging and predatory lending is easily provable. (U.S. Dept of Justice: Where are you when there is demonstratively-provable price-gouging? If price-gouging is illegal for 'small' things—e.g., food, water, gasoline, prescription meds, toilet paper, etc.,—then, why is it not deemed illegal for something this large? It is indeed illegal.) ***Editor's Note:** If illegal price-gouging is present—as is the case here—then outright cancellation of the loans under fraud statutes is more-appropriate, so our collective calls for mere bankruptcy uniformity—as the U.S. Constitution's Uniformity clause requires—should be even more acceptable and accepted as a moderate—not extreme—solution to the fraud, price gouging, higher ed bubble debt crisis—which will burst, crashing the U.S. Dollar, if not STOPPED soon. ~Editor, Gordon W. Watts*

(18) Rep. William Lacy Clay (D-MO-01st) currently, the Chairman of the House Financial Services Subcommittee on Housing, Community Development & Insurance: **“Primary Sponsor” of H.R.4750 - RED Act (also known as “Relief from Excessive Debt Act,” or, Official Title as Introduced: “To amend title 11 of the United States Code to make student loans dischargeable.”)116th Congress (2019-2020)**

(19) Sen. Richard J. “Dick” Durbin (D-IL), currently the Democratic Whip and Chair: U.S. SENATE JUDICIARY COMMITTEE: **“Primary Sponsor” of S.1414 - Student Borrower Bankruptcy Relief Act of 2019, 116th Congress (2019-2020) – and: “Primary Sponsor” of S.2598 - FRESH START Through Bankruptcy Act, 116th Congress (2021-2022) – Sen. Durbin makes key comments in the Senate Judiciary Committee for S.2598, about growing bipartisan support—which is true, and necessary for progress.**

(20) Sen. Benard “Bernie” Sanders (I-VT), 2-time candidate for president: **“Original cosponsor” of S.1414 - Student Borrower Bankruptcy Relief Act of 2019, 116th Congress (2019-2020)**

(22) Rep. John K. Delaney (D-MD-06th), former member of Congress who self-identifies as very “Moderate”: **“Primary Sponsor” of H.R.2366 - Discharge Student Loans in Bankruptcy Act of 2017, 115th Congress (2017-2018) – –as well as a “Primary Sponsor” of H.R.449 - Discharge Student Loans in Bankruptcy Act of 2015, 114th Congress (2015-2016)**

(23) Rep. Daniel T. “Dan” Kildee (D-MI-05th), current member of Congress who, among other things, played an instrumental role in freeing a Marine Veteran from prison in Iran—and who is currently the Chief Deputy Whip: **“Primary Sponsor” of H.R.3451 - Student Loan Bankruptcy Parity Act of 2015, 114th Congress (2015-2016)**

(24) Rep. Danny K. Davis (D-IL-07th), long-time, well-respected Illinois Congressman, who has served his district in Congress since November 5, 1996: **“Original cosponsor” of H.R.4907 - Private Student Loan**

Bankruptcy Fairness Act of 2019, 117th Congress (2021-2022)

(25) Rep. Steve Cohen (D-TN-09th), long-time, well-respected fourth-generation Memphian Tennessean who has dedicated his life to public service, and as a child, experienced challenges of living with polio, and recipient of a 100+% voting rating on the Humane Society Legislative Fund's annual Legislative Scorecard: **Sponsor of H.R.4907 - Private Student Loan Bankruptcy Fairness Act of 2019, 117th Congress (2021-2022)**

(!!!) Many Conservatives, too numerous to list, support Student Loan Bankruptcy to cure Moral & Constitutional flaws in current U.S. Bankruptcy Code: [-A-] violates JESUS'S GOLDEN RULE when we support Bankruptcy for Pres. Trump & many others with unsecured loans, like Credit Card Users & business loans, and [-B-] clear violation of the U.S. Constitution's “Uniformity Clause,” Art.I, Sec.8, Cl.4

(27) Conservative writer, Gordon Wayne Watts (myself !)

(28) The American Conservative: “Bankruptcy Could Help Millions Struggling Under Student Debt: In 2005, Congress took this one possible life raft away. Why?,” by Jon Basil Utley, publisher of The American Conservative, published in The American Conservative, January 23, 2020, **LINK:** <https://www.TheAmericanConservative.com/articles/bankruptcy-could-help-millions-struggling-under-student-debt>

(29) The U.S. Constitution may not guarantee bankruptcy existence, but IF it exists: **It MUST be uniform.** Since the rich will ****always**** have bankruptcy, then the U.S. Constitution guarantees it for ALL people. PROOF: “Uniformity clause,” Art I, Sec. 8, clause 4.

All our Nation's founders (Thomas Jefferson, James Madison, etc.) were under oppression from merchants and the oppressive government, who did not allow standard consumer protections, and that was a chief reason for the Declaration of Independence from England: “There are two ways to conquer and enslave a nation. One is by the sword. The other is by debt.” — John Adams 1826 (attributed)

NOTE: The rights to a **Uniform Bankruptcy (Art. I, Sec. 8, clause 4)** was put AHEAD of the **Power to Coin Money (clause 5)** or even the ever-important **Power to Declare War (clause 11)!! (To ensure ALL Americans are treated equally: The Uniformity Clause, therefore, is a special type of Equal Protection.)**

(30) God Almighty supported not merely bankruptcy discharge but **OUTRIGHT FORGIVENESS** of outstanding debts: See e.g., “Jubilee Forgiveness,” in Deuteronomy 15:1-2a, Deut. 15:1-11, and Leviticus 25:13, something God's people did every seven (7) years! This Old Testament passage is **accepted as “Canon” by both Jews and Christians.**

(31) Jesus would not approve of a “Bankruptcy for me, but not for Thee” hypocritical double standard, which violates His golden rule, in both **both** Old **and** New Testament: LEVITICUS 19:18b, Leviticus 19:34, MATTHEW 22:39b, MARK 12:31b, LUKE 6:31, MATTHEW 7:12.

Application of the Golden Rule: “**46** And He said, “Woe to you also, lawyers! For you load men with burdens hard to bear, and you yourselves do not touch the burdens with one of your fingers.” “**3** Therefore whatever they tell you to observe, that observe and do, but do not do according to their works; for they say, and do not do. **4** For they bind heavy burdens, hard to bear, and lay them on men’s shoulders; but they themselves will not move them with one of their fingers.” [**Christian Holy Bible – Luke 11:46; Matthew 23:3-4, NKJV**] **See also: The Parable of the Shrewd Manager: Luke 16:1-12**, which concludes with Jesus saying in **v.9:** “I tell

you, use worldly wealth to gain friends for yourselves, so that when it is gone, you will be welcomed into eternal dwellings.”

(32) Alan Collinge – Nationally-recognised Student Debt expert (Google him if you doubt his credentials)

(33) Ike Brannon of the *Cato Institute* **(34)** *NY Times* columnist David Brooks **(35)** Even Jeb Bush included this in his platform when he ran for president. **(36)** *National Review*, founded by well-known Conservative, William F. Buckley Jr., is calling for allowing student loans to be dischargeable in bankruptcy **(37)** as is Frank H. Buckley, a Foundation Professor at Conservative Antonin Scalia Law School of Law at *GMU*. Both **(38)** *Bloomberg &* **(39)** *USA Today* also call for bankruptcy to be returned to student loans. Lastly, **(40)** Libertarian-Conservative, **Dr. Ron Paul** supports bankruptcy for ALL U.S. Debt (not just college debt). **Liberals** like **(41)** Robert Reich, **(42)** Thom Hartmann, & many others have called for this much-needed repair to fix a broken system. Indeed, **(43)** the Democratic Party made return of bankruptcy a plank in their party platform in Philadelphia, recently.

(44) Jerome Powell, a Conservative Republican, former private equity executive, and current incumbent Chair of the Federal Reserve, who served under Presidents Barack Obama and Donald Trump: Has said he's “at a loss to explain” why student loans are treated differently than other types of debt in bankruptcy.

(45) Over 44 Million Americans have collegiate debt (and another 40-50 Million are cosigners, family, or friends – total > 100 Million +plus+), and would like the same bankruptcy rights you have (and like Credit Card users—for likewise UNSECURED debts).

(46) And that doesn't even count the OVER ONE-MILLION STUDENTS who are demanding that ALL student loan debt be forgiven (aka cancellation) – in SEVERAL different petitions. See below...

THE POLLS

(47) Forbes reports, among other things, that 67% of Americans (incl. 58% of Republicans) support “widespread” student loan forgiveness—with only 26% in opposition, while another “33% of voters think that for-profit schools shouldn't get federal funds at all.” **Source: “New Poll Shows Substantial, Bipartisan Support For Student Loan Forgiveness And Other Relief For Borrowers,”** by Adam S. Minsky, *FORBES*, September 25, 2020, 11:52am (EDT)

(48) The Harris Poll finds similar sentiments among Americans, “such as forgiveness of a flat amount of student debt (64%) and forgiveness of all student loan debt (55%), are supported by more than half the country,” as well as “updating bankruptcy laws to get rid of student debt (66%)” and “restrictions or price controls on the cost of a university education (78%).” **Source: “Americans Overwhelmingly Support Student Debt Reform: The majority of Americans support reforms to student loans and education costs, and most think the new presidential administration is up to the task.,”** *The Harris Poll*, December 2020

(49) After reporting on *The Harris Poll*, cited above, *INSIDE HIGHER ED* then goes on to report that “Our [own] survey also confirms the crippling effects of student debt on borrowers -- and the economy. According to the latest government statistics, 42.3 million people -- one in every six adults -- have federal student loans, averaging \$36,520 per person...Of the 10 solutions we offered our 1,015 survey takers, majorities endorsed every single one. Support peaks at 83 percent for low-interest loans for students at public colleges and universities, 78 percent for government price controls on higher education costs, and 72 percent for automatic student debt forbearance for the unemployed. Backing for these fixes was lopsided among every generation, family type and income and racial group. [] What is more surprising is how many Americans embrace certain correctives that were dismissed as impractical and even socialist during the 2020 election campaign.” **Source: “Are Americans Turning ‘Socialist’ About Student Debt?,”** by Will Johnson, *INSIDE HIGHER ED*, January 19, 2021

(999) Like I suggest regarding the list of “spending cuts” supporters, likewise, here: Take this list (and copies of both my columns), advocate to **Lawmakers of both parties**, & get **H.R.2648 and S.1414** from last session (116TH) refiled and/or get **H.R.4907 and S.2598** from this session (117TH) passed into law. We've tried it the “Liberal” way for too long. Now, let's try it my way, lest we crash the dollar:

- Student Loan Bankruptcy defense is not a “Liberal Free Handout,” but rather **required** by the **U.S. Constitution's** Uniformity clause (Art.I, Sec.8, clause 4, if you will) – and:
- Bankruptcy has thus earned the nickname, “**The Economic 2ND Amendment**”—a means of self-defense
- It is also **required** by the “Golden Rule” of at least **three** (3) major religions (Judaism: Leviticus 19:18b, Leviticus 19:34 ; Christianity: Matthew 22:39b, Mark 12:31b, Luke 6:31, Matthew 7:12; and, Islam: Surah 24:22 An-Nur, The Light, on treatment; Surah 2:275 Al-Baqarah, The Cow, on prohibitions of usurious interest; See also: Surah 3:130, The Family of Imran; Surah 4:161, The Women; Surah 30:39 al-Rum aka The Romans)
- **Student Loan Bankruptcy**, student loan **Subsidy Cuts** (using our tax dollars), and **Price Controls** are also our “Conservative alternative” to Liberal free handouts.
- Last, but not least – Bankruptcy operates as a “Conservative Free Market” check on excessive lending – and this undersigned writer predicts that the U.S Dollar WILL crash and the economy will collapse if this **Constitutional** check/balance is not returned.
- BONUS: Things “worked just fine” when we had bankruptcy to regulate/check student lending, and maybe we don't need to “reinvent the wheel” or “fix” something that wasn't broken—but return back to the way it worked just fine.
- BONUS: While this undersigned writer does not support “free handouts” (like free college, etc.), nonetheless, it is his honest estimation that Higher Ed would cost TAXPAYERS less if it was “direct funded” like PUBLIC EDUCATION – with proper price controls, etc.

REFERENCES – for the above claims:

(1) President Donald J. Trump (R-U.S.A.) – Pres. Trump is a **Conservative Republican**:

QUOTE: “President Trump has offered to forgive some student loan debt as part of a new \$1.8 trillion stimulus proposal to House Democrats, indicating how rapidly the idea of cancelling [sic] student debt has gained broad, bipartisan appeal. [] Trump’s latest attempt to revive stimulus talks comes after he abruptly pulled the plug on congressional negotiations last week. The administration is now proposing that \$25 billion of the \$1.8 trillion package be dedicated to student loan forgiveness. This figure represents only a tiny fraction of the estimated \$1.7 trillion in total outstanding student loan debt, indicating the effort would have a small impact if enacted. The administration did not make clear how it proposes to allocate the \$25 billion, nor did it specify who would be eligible for student loan forgiveness. [] While the offer is relatively small, the overture is an indication of how the concept of student loan forgiveness has rapidly gone mainstream.”

Comments: President Biden's support for student loan bankruptcy is ****explicitly**** and ****plainly**** stated above, but what may not be apparent is the fact that Biden *also* adopts Warren's plan for “forgiveness” aka “cancellation,” when he adopts her plan—whether one agrees or disagrees, Biden did make this promise to adopt Warren's plan to (direct quote) “As President, I’ll attack the student debt crisis head on. Conclusion on Biden: Whether one “agrees” with or “disagrees” with “cancellation” of collegiate debt, it is a documented fact that, as of the time of publication, Biden has not kept his word regarding an attempt to do cancellation via Executive Order as Warren sought. **Source: “Warren buckles down on student loan forgiveness, says Biden 'has the power to cancel student loan debt',”** by By Erika Giovanetti, *FoxBusiness*, Published September 14, 2020 or 2021 ??, **LINK:** <https://www.FoxBusiness.com/personal-finance/student-loan-forgiveness-elizabeth-warren-joe-biden>

(9) Rep. Matt Gaetz (R-FL-01st) Conservative Republican: Representative Gaetz, who is one of the most Conservative Members of Congress (and one of President Trump's staunchest & most ardent supporters) gave an eloquent speech in the recent House Judiciary Committee “markup” Meeting in support of H.R.2648, the

Student Loan Bankruptcy bill, which was just recently enrolled:

QUOTE: “The House Judiciary Committee on Tuesday advanced a bill that would amend the bankruptcy code to permit both private and federally held student loans to be more easily discharged in bankruptcy. [] The the House Judiciary Committee on a 19-5 vote along party lines, though Rep. Matt Gaetz (R-Fla.), a staunch Trump ally, said he supported the legislation, noting the burden millions of Americans are under due to the student loan debt they hold, but did not vote in committee. [] Known as the Student Borrower Bankruptcy Relief Act, the bill calls for striking provisions in the bankruptcy code that prohibit the discharge of student loans except where borrowers can prove an “undue hardship.” [] Unlike other forms of debt, like credit cards and medical bills, student loan borrowers must generally prove that they have an undue hardship in order to discharge their student loan debt in bankruptcy, making the process much more difficult...Bankruptcy reform, with a particular focus on student loan debt, has gained momentum in recent years, with support from Gaetz underscoring movement on the issue. [] “I’m grateful that the majority on this committee wants to break away from the Biden record on student loans and would instead chart a way forward that is more fair to America’s young people,” Gaetz said, referring to Democratic nominee Joe Biden, who as a senator backed the 2005 bankruptcy law. [] Judiciary Chairman Rep. Jerry Nadler (D-N.Y.) agreed with Gaetz’s assertion. [] “It was the wrong thing to do,” he said. “Biden was on the wrong side. Many people in both parties were on the wrong side.””

Various QUOTES:

1:38:52 – Rep. Matt Gaetz (R-FL-01) supports **H.R. 2648 – the Student Loan Bankruptcy bill:**

“I support Mr. Tiffany's [criminal conviction disqualification] amendment. The underlying piece of legislation that would allow students to discharge student loan debt through bankruptcy [this bill, H.R.2648] would shatter the foundation of Higher Education finance. It would create a dramatic & sudden shift in the pricing of Higher Education. It would disrupt almost every university budget in America. [Dramatic pause.] And that's exactly why I'm voting for it. During my life, prices in Higher Education have skyrocketed. University administration budgets have exploded. Administrators have gotten rich, while a generation of students have been relegated to a life of indentured servitude. Forty-Four (44) Million Americans dealing with crushing student loan debt – an amount, in the aggregate – that exceeds \$1.6 TRILLION dollars. That's more than the amount of money Americans have borrowed against CARS. That's more than America's CREDIT CARD debt, in the aggregate. And, it has impacted the life of many of my fellow-Millennials. Unable to get married. Unable to have a down payment for a HOME. It's almost like in dating in Millennial life...reverse dowry... [etc.] ...But: It does raise the question: How did we get here? Why, in 2005, as the chairman correctly referenced, did members of Congress [and] The Senate [change the law]!?” – Enters into the record Guardian article about Sen. Biden's support for anti-consumer BK law. Chairman Nadler generously allows such. Gaetz goes on an anti-Biden rant. – **01:43:46** – Rep. Gaetz yields the remaining seconds to Chairman Nadler, who admits that Democrats have made

mistakes, along with Republicans. – **01:44:30**

01:49:05 – Rep. Kelly Armstrong claims that H.R.2648 would be harmful, and says that it would do nothing to address the problem – which was caused by cuts to Higher Education at the state level – and over-inflated administration. Rep. Armstrong (falsely) claims that H.R.2648 wouldn't incentive colleges to lower tuition increases. (FALSE: It would via Market Pressures, as discussed **01:12:25**, above – and, as also addressed eloquently by Rep. Gaetz, below.) He also (falsely) claims that there'd be no “guardrails” on the costs of higher education. – **01:51:31** – Rep. Armstrong generously yields some time to Rep. Matt Gaetz, who succinctly defends the points I've made – but in a public forum.

01:51:31 – Rep. Matt Gaetz (R-FL-01) – QUOTE: “So, if students are able to discharge...I see what you're saying: That the bill doesn't say bureaucracy *HAS* to be cut. But, if students can discharge their debt through bankruptcy, then there will be fewer of those loans issued, right? Because if they're 'risky' loans, [then] they won't be issued. And, so, universities won't be able to charge as much: TUITION will go DOWN. And, because they won't be able to charge as much, they won't be able to have – like – you know – “Senior Provost of Intersectional Gender Studies,” knocking down TWO-HUNDRED EIGHTY THOUSAND (\$280,000.00) DOLLARS a year, while somebody's just tryin' to pay pay tuition for their family member.” – yields back – **01:52:10**

(10) Sen. John Cornyn (R-TX) Conservative Republican: Senator Cornyn: FactCheck.org verifies this when it says “...that Cornyn was rated the second most conservative of all incumbent U.S. senators by the nonpartisan National Journal, based on his voting record in the last Congress, which sat during 2011 and 2012. He scored 93.8 percent on the Journal’s “composite” conservative scale, which melds ratings on economic, social and foreign policy votes. He even edged out South Carolina Republican Sen. Jim DeMint, a Tea Party leader who has since left the Senate to head the conservative Heritage Foundation. [] Other conservative groups also rate Cornyn highly. The American Conservative Union scored his votes as 90 percent conservative in 2011, and 88 percent conservative in 2012 — both well above the 78 percent conservative average for all incumbent GOP senators during the two-year period. Cornyn’s “lifetime” ACU rating — covering his entire Senate career since 2002 — is 93 percent conservative. [] Similarly, the anti-tax group Club for Growth has consistently rated Cornyn among the most conservative GOP senators over the years...[] The anti-abortion National Right to Life Committee gave Cornyn a rating of 100 percent in the last Congress, and also 100 percent in the current Congress to date.”

I think those have to go hand in hand.” (16:06—16:20 in local video, and 30:31—30:35 in official Senate website video) – to segue off of prior remarks by Sen. SENATOR JOSH HAWLEY (R-MO) quote from the recent Senate Judiciary Committee hearing on S.2598: “There are a couple of things that I wanted to focus on: The first is that, while I don’t support cancellation of all student debt, for the reasons that have been talked about – the massive – I think – subsidy to wealthier Americans and also the massive subsidy to universities – I want to say that I can’t think of very many good reasons to keep students with massive amounts of debts as lifelong serfs of banks – and lifelong serfs of universities by not allowing them to discharge in bankruptcy of their debt under appropriate circumstances.” (1:26:41—1:27:09 in local video, and 1:40:56—1:41:24 in official Senate website video, download links above.)

NEW: LOCAL Republican Club Leaders (Central Florida GOP leadership)

The following four (4) central Florida GOP leaders join fellow-Republicans, Senators Josh Hawley (R-MO) and John Cornyn (R-TX), and the numerous GOP Representatives listed above, and the undersigned Conservative Republican, in our collective support for Student Loan Bankruptcy Uniformity as the U.S. Constitution requires in Art.I, Sec.8, cl.4, the legendary Uniformity Clause:

(12) Judy Wise, President, Plant City (Fla.) Republican Women Federated, supports student loan

bankruptcy bill, **S.2598** - FRESH START Through Bankruptcy Act, 117th Congress (2021-2022).

(13) Dr. Ed Shoemaker, President, Faith Based Republican Club of West Polk Cty., Fla., Republican Party of Florida State Committeeman for Polk Cty., and RPOF CD15 Chair, supports student loan bankruptcy bill s2598.

(14) Paul Hatfield, Vice President, Faith Based Republican Club of West Polk Cty., Fla., Club Chaplain, and CFCA (Christian Financial Advisors Association) financial advisor, supports student loan bankruptcy bill s2598.

(15) Angel S. Urbina-Capo, President, Metro Tampa Republican Club, and Republican Candidate for Congress Dist.14, (Greater Tampa Bay, central FLORIDA), and CEO of Urbitech Systems, strongly supports student loan bankruptcy as a Conservative alternative to Liberal higher education policies.

(16) Although not formally a member of the local Republican Party leadership (like 12—15, above), I am adding in my good friend, Jim Sapp, who is an exceptionally Conservative Republican local LAKELAND FLORIDA businessman, whose quote (shown below) is strong implicit support for Student Loan Bankruptcy.

Details:

(12) Judy Wise, President, Plant City (Fla.) Republican Women Federated, supports student loan bankruptcy bill, **S.2598** - FRESH START Through Bankruptcy Act, 117th Congress (2021-2022).

Comments: Of the 4 “local Republican” leaders (12—15, here), a “good case” can be made that Judy's support is the most weighty and significant—even tho the “public” support is only in the for of “likes” to posts and comments. That may seem counter-intuitive—so an explanation is in order:

Of all the currently-active GOP leaders known by the undersigned author, Judy is perhaps the longest-serving and most experienced ******* – the dean of central Fla GOP, so to speak – so, her “like” on a post would not be unlike a celebrity, or sitting president (of either party) “liking” a post – get what I mean? Moreover, while any conversations on “merit” and “policy” are private, nonetheless, many moons ago, we had a Facebook conversation (lost from the archives, but public, so I feel I can share it with you) to clarify the significance:

I, the undersigned author (Gordon Wayne Watts) “liked” some post long ago – to show respect and acknowledgment for the poster, but the post or comment – itself – was not worthy of support. When Judy saw that I “liked” the post, she took me to task, and held me accountable—pointing out that a “like” equates to “support.” So, it is not lost on this undersigned writer that Judy's “like” of several Student Loan Bankruptcy legislation posts/comments, in public Facebook posts, equates to “support.” (While I can't and won't share details of any private conversation, do know, realise, understand, and be assured that this is her position on this one matter. Where she stands on other matters is outside the scope of this “list of supporters,” but I can only imagine that she's every bit as anti-tax and anti-spend as the rest of us on the Conservative Right.) **PROOF:**

1 of 3: If you look at my comment (quote: “Good job, [Angel S. Urbina Capo Angel S Urbina](#). Thank you for your support of student loan bankruptcy uniformity as the U.S. Constitution's Uniformity clause requires...current Congress and Senate have 2 different bills, one being S.2598, a bill with twice as many GOP sponsors as Democrats...”) on <https://www.Facebook.com/asurbina/posts/10165616758115623> and note the “likes,” Judy's support appears among the many other likes.

(13) Dr. Ed Shoemaker, President, Faith Based Republican Club of West Polk Cty., Fla., Republican Party of Florida State Committeeman for Polk Cty., and RPOF CD15 Chair, supports student loan bankruptcy bill s2598.

Comments: Of the 4 “local Republican” leaders (12—15, here), a “good case” can be made that Dr. Shoemaker's support is the most weighty & significant—not only because his support is more explicit & clear than mere “like” of a comment (see above), but also because Dr. Shoemaker, while not as long in tenure & seniority as President Judy Wise (PC Republican Federated), nonetheless, he's got a “Dr.” in front of his name—and has an impressively lengthy ******* GOP leadership record—so, what does Dr. Shoemaker think of this matter? Before we get going, a parliamentary “point of order” is in order: The link being archived via screenshots, <https://www.Facebook.com/RepFranklin/posts/248824830480403> is no longer a working link, presumably because Congressman Franklin has been altering his Facebook settings and, we assume, accidentally deleted this post. That said, Dr. Shoemaker supports fairness in bankruptcy laws, and particularly,

this bill.

PROOF: If you look at my comment about S.2598, the “FRESH START” student loan bankruptcy bill (reminding Congressman Franklin that bankruptcy “uniformity” is not a free handout for students but rather required by the U.S. Constitution's “uniformity” clause), you will see Ed not merely “like” my comment, but rather comment, himself, giving it a “Thumb's Up,” emoji:

******* Above, references was made to Dr. Ed Shoemaker's far-right Conservative GOP Republican leadership record, and here is proof that even “far-right” **Republicans support S.2598 – not just loads of Democrats:**

(14) Paul Hatfield, Vice President, Faith Based Republican Club of West Polk Cty., Fla., Club Chaplain, and CFCA (Christian Financial Advisors Association) financial advisor, supports student loan bankruptcy bill s2598.

Comments: Of the 4 “local Republican” leaders (12—15, here), a “good case” can be made that Paul's support is the most weighty & significant—not only because his support is more explicit & clear than mere Thumb's Up “emoji” of a comment (see above), but also because Paul supported this vocally in several different venues—as well as the fact that he's a financial expert by profession:

1 of 2: Paul, a far-right Conservative GOP leader, and VP of Dr. Shoemaker's local faith-based Republican club **{-a-}**, is also a financial expert **{-b-}**, which shows that he understands this matter—and offers solid proof of this writer's claims that voters – of both political parties – widely support student loan bankruptcy rights – even if there is some disagreement on the “loan forgiveness” issue – which is an even more extreme measure that solves a problem (freeing some debt slaves without abolishing debt slavery or restoring free market checks such as bankruptcy defense).

2 of 2: Paul, VP, Faith Based Republican Club of West Polk (Fla), who offered his support of S.2598, above, also, in a “reply to all” in a very lengthy thread to numerous lawmakers—offers detailed & explicit support of my Press Inquiry to the U.S. Department of Education—in which I stated my explicit support for both student loan bankruptcy as well as cuts to pork higher ed subsidies for collegiate loans. Thus, we can infer not only Paul's support for spending cuts (supported by most GOP leaders & citizens), but also for the student loan bankruptcy bill discussed herein—which many view as a Conservative alternative to liberal policies.

Normally, private emails aren't public, **but as many of you, lawmakers, already received a copy of Paul's “reply to all,” here**, and implying public statement, this isn't a breach of privacy sharing his several public statements in support of student loan bankruptcy (both in 1 of 2, above & here, in 2 of 2). **PROOF:**

Editor's Note: While my ****private**** conversations with Paul are just that, he does know of and approve of my citing him as reference in support of this matter—which had wide—and growing—support among both the GOP in particular and the American population in general. Comments: Of the 4 “local Republican” leaders (12—15, here), a “good case” can be made that Angel's support is the most weighty & significant—not only because his support is more explicit & clear than all others—above—combined, but also because he's not merely the “President” of the Metro Tampa Republican Club, but (and most-importantly) a Republican Candidate for Congress Dist.14, (Greater Tampa Bay, central FLORIDA), meaning he is responding to the real and perceived genuine requests of millions of Americans (potential voters for him—and constituents of incumbent lawmakers).

Editor's Note: The bill which Mr. Urbina supports, H.R.2366 - Discharge Student Loans in Bankruptcy Act of 2017, from a past session, 115TH Congress (2017-2018), <https://www.Congress.gov/bill/115th-congress/house-bill/2366/text> would offer even stronger Bankruptcy defense (thus closer to the Constitutional “bankruptcy uniformity” standard outlined in Art.I, Sec.8, cl.4, U.S. Const.), than S.2598 - FRESH START Through Bankruptcy Act, a currently-enrolled bill, in the current session, 117TH Congress (2021-2022), <https://www.Congress.gov/bill/117th-congress/senate-bill/2598/cosponsors> , the latter of which has (as of press time) twice as many GOP sponsors as Democratic: The latter bill has a 10-year waiting period built into it, and thus is not as aggressive—but more politically viable given the current divisive political environment.

Although not formally a member of the local Republican Party leadership (like 12—15, above), I am adding in my good friend, Jim Sapp, who is an exceptionally Conservative Republican local LAKELAND FLORIDA businessman, whose quote (shown below) is strong implicit support for Student Loan Bankruptcy.

QUOTE: “Some one today asked my opinions [] on a couple of subjects. ? [] Our power grid is vulnerable to EMF [] attacks[sic].congress let's fix it. [] Let's close the border now. COMMENTARY: While the quote above may look “unprofessional,” let me assure readers 2 things: First, on just short notice, I asked Jim (a constituent in FLORIDA'S 15TH U.S. Congressional District – my district too)

to give me a supportive public statement so we can “join voices” and “collectively” ask our Federal (and State) lawmakers to “Protect The Grid” – and to defend pork spending cuts and, if possible, student loan bankruptcy uniformity (as the U.S. Constitution's Uniformity clause requires) or similar – thus, Jimmy's brief Facebook note isn't as professional as, say, Jim McGuire's quote above because Jimmy's a very busy business owner. SECONDLY, however, please take note of ONE THING: As smart as I am (see my creds above: United Electronic Institute, Valedictorian), Jim is my mentor **and thus far smarter all things electronic**. As BUZZFILE says, Jimmy's been in business for approximately thirty-three (33) years – as I recall, and is probably as smart as I estimate – or smarter:

(17) Dr. A. Wayne Johnson, Conservative Republican: Dr. Johnson, who was a recent COO (Chief Operating Officer) of the U.S. DEPARTMENT OF EDUCATION'S Federal Student Aid Program, **is probably the nation's top expert on American Higher Education lending**—and Dr. Johnson supports Student Loan Bankruptcy—and estimates that EIGHTY-FIVE (85%) PERCENT of Student Loans in American Higher Ed will NEVER be repaid—as sobering fact which is almost damning proof and irrefutable evidence that the current illegal price-gouging and predatory lending is easily provable. (U.S. Dept of Justice: Where are you when there is demonstratively-provable price-gouging? If price-gouging is illegal for 'small' things—e.g., food, water, gasoline, prescription meds, toilet paper, etc.,—then, why is it not deemed illegal for something this large? It is indeed illegal.) ***Editor's Note:*** *If illegal price-gouging is present—as is the case here—then outright cancellation of the loans under fraud statutes is more-appropriate, so our collective calls for mere bankruptcy uniformity—as the U.S. Constitution's Uniformity clause requires—should be even more acceptable and accepted as a moderate—not extreme—solution to the fraud, price gouging, higher ed bubble debt crisis—which will burst, crashing the U.S. Dollar, if not STOPPED soon. ~~Editor, Gordon W. Watts*

QUOTE: ““The full measure of my campaign is focused on the student loan debt in this country,” he said. “The system is terribly broken. It is an abomination, and can destroy the fabric of America. It has only one beneficiary: the colleges and universities. They can charge whatever tuition they want to, since they get the money essentially from the students, debt free and without a credit check. [] “There is an unlimited insatiable appetite on the part of the colleges to encourage students to take out loans.” [] He emphasizes that 44 million people owe student debt. **“And more than 85 percent of these loans will never get repaid.** It’s a poison students don’t recognize they are getting into when they take out loans. They don’t realize until later in life that it will eat their life away. ””

Editor's Note: *Emphasis was added by bold-face underline, and with red font & yellow highlight – for clarity—to emphasize and underscore the magnitude of the problem we're facing in American Higher Education: Almost ALL 100% of students will likely NEVER repay their loans (due, quite-obviously, to the obscenely inflated price-gouging that is present here), according to the nation's top expert in this area. Emphasis not in original—added for clarity. – Gordon Wayne Watts, Editor-in-Chief, The Register*

(20) Sen. Benard “Bernie” Sanders (I-VT) is a well-known, Liberal lawmaker and 2-time candidate for president, but he is also registered as an “Independent,” and does not always align with the Democratic Party (which means his support for the bankruptcy bill cited above changes the support from “bipartisan” to “tripartisan,” an important distinction).

** Sen. Sanders also an “Original cosponsor” of S.1414 - Student Borrower Bankruptcy Relief Act of 2019, 116th Congress (2019-2020) (Introduced 05/09/2019) (Date Cosponsored: 05/09/2019) <https://www.Congress.gov/bill/116th-congress/senate-bill/1414/cosponsors>

(21) Rep. Jerrold “Jerry” Lewis Nadler (D-NY-10th) is a well-known Democrat lawmaker who represents New York’s 10th Congressional District, one of the most dynamic and diverse districts in the country. The district includes Manhattan’s Upper West Side, Morningside Heights, Hell’s Kitchen, Chelsea, Greenwich Village, Soho, Wall Street, and Battery Park City, as well as the Brooklyn neighborhoods of Borough Park, Kensington, and parts of Bay Ridge, Bensonhurst, Dyker Heights, Red Hook, Sunset Park, and Midwood. He is currently Chairman of the House Judiciary Committee: <https://Nadler.House.gov/about-jerry>

** Chairman Nadler is also the “Primary Sponsor” of H.R.2648 - Student Borrower Bankruptcy Relief Act of 2019, 116th Congress (2019-2020) (Introduced 05/09/2019) <https://www.Congress.gov/bill/116th-congress/house-bill/2648/cosponsors>

(22) Rep. John K. Delaney (D-MD-06th) is a former member of Congress <https://www.Congress.gov/member/john-delaney/D000620> and recent candidate for president who self-identifies as very “Moderate”: <https://www.SLTrib.com/news/politics/2018/01/25/with-nearly-3-years-until-2020-election-deep-red-utah-gets-its-first-visit-from-a-presidential-candidate-a-little-known-democrat> and <https://www.PBS.org/newshour/show/why-john-delaney-sees-himself-as-the-most-moderate-2020-democrat>

** Rep. Delaney is also the “Primary Sponsor” of H.R.2366 - Discharge Student Loans in Bankruptcy Act of 2017, 115th Congress (2017-2018) (Introduced 05/04/2017) <https://www.Congress.gov/bill/115th-congress/house-bill/2366/cosponsors> –as well as a “Primary Sponsor” of H.R.449 - Discharge Student Loans in Bankruptcy Act of 2015 114th Congress (2015-2016) (Introduced 01/21/2015) <https://www.Congress.gov/bill/114th-congress/house-bill/449/cosponsors>

(23) Rep. Daniel T. “Dan” Kildee (D-MI-05th) is a current member of Congress who, among other things, played an instrumental role in freeing a Marine Veteran from prison in Iran—and who is currently the Chief Deputy Whip—part of the Democratic leadership team in the 116th Congress—and acts as an important liaison among Members of Congress and the leadership to build support for Democratic priorities and legislation: <https://DanKildee.house.gov/about/congressman-kildees-biography> ** Rep. Kildee is also the “Primary Sponsor” of H.R.3451 - Student Loan Bankruptcy Parity Act of 2015, 114th Congress (2015-2016) (Introduced 09/08/2015) <https://www.Congress.gov/bill/114th-congress/house-bill/3451/cosponsors>

(24) Rep. Danny K. Davis (D-IL-07th), long-time, well-respected Illinois Congressman, who has served his district in Congress since November 5, 1996: <https://Davis.House.gov/biography> **“Original cosponsor” of H.R.4907 - Private Student Loan Bankruptcy Fairness Act of 2019**, 117th Congress (2021-2022), LINK: <https://www.Congress.gov/bill/117th-congress/house-bill/4907/cosponsors>

Additionally, Rep. Davis made a succinct, but key, statement on this bill:

QUOTE: “Student loan debt is crushing millions of borrowers, especially students of color. The pandemic’s dual economic and health crises have only exacerbated this harm, and education borrowers deserve the same bankruptcy protections enjoyed by other consumer borrowers. The 2005 bankruptcy restrictions penalize borrowers for pursuing higher education, provide no incentive to private lenders to lend responsibly, and likely affect African American borrowers more negatively than other borrowers. Private education debt is no different than other consumer debt; it involves private profit and deserves no privileged treatment. I will work actively with Congressman Cohen and Senator Durbin to protect student borrowers.”

COMMENTS: Rep. Davis invokes two KEY “Conservative” principles above. **First**, the “Conservative” values of moral rights/wrongs is invoked by correctly stating that lack of bankruptcy uniformity affects people of colour & minorities more. Secondly, he invokes the “Conservative” free market forces assessment when he correctly states that removal of bankruptcy defense “provide no incentive to private lenders to lend responsibly,” a free market force to make lenders and colleges behave—and stop wasting monies. This is significant for 2 reasons: First, while many view Davis as a “Liberal” or a “Democrat,” he has a stronger grasp on key “conservative” principles than many GOP lawmakers. Secondly, if applied to public student loans, his “Free Market” analysis would also save trillions in tax dollars, helping taxpayer here (and students when colleges would be forced to lower tuition—and live within their means, as they did in the past).

(!!!) MANY Conservatives, too numerous to list support Student Loan Bankruptcy—not as a “Liberal Free Handout” (we're Conservative's hello!?), but rather to cure many Moral and Constitutional flaws in current U.S. Bankruptcy Code – including, but not limited to the fact, that [-A-] we violate JESUS'S GOLDEN RULE when we support Bankruptcy for Pres. Trump & many others with unsecured loans, like Credit Card Users & business loans, and [-B-] the clear violation of the U.S. Constitution's “Uniformity Clause,” Art.I, Sec.8, Cl.4 – Google it if you didn't get the note, or dust off that old copy of the U.S. Constitution that you claim to obey/cherish. For proof of that, please point your web browser to <https://Facebook.com/groups/SLJgroup> – the premier & original “Student Loan Justice” group—where almost HALF of our members are dyed-in-the-wool, far-right Conservatives—or, barring that, look around in your own neighbourhood—if you dare!

Note: To document the following quotes: “In May 2014 U.S. Rep. Dennis Ross told those listening to a “teletown” hall meeting that if college students can’t repay their loans from a private bank, we should “go back” to our prior laws and allow them to declare bankruptcy...At the teletown hall meeting, Ross also said that we needed to “get the government out of the business of loaning the money because we’re loaning taxpayer dollars.”,” in my Aug. 04, 2016 column, above, I had to provide *The Ledger* with an audio of the Public town hall meeting (not illegal to record: It was public), and said audio can be found at the links below:

(29) The U.S. Constitution may not guarantee bankruptcy existence, but IF it exists: **It MUST be uniform.** Since the rich will ****always**** have bankruptcy, then the U.S. Constitution guarantees it for ALL people.

* <https://ConstitutionUS.com>

* <https://Constitution.FindLaw.com/article1.html>

* <https://www.Law.Cornell.edu/constitution/articlei#section8>

* <https://www.Archives.gov/founding-docs/constitution-transcript>

* https://www.Senate.gov/civics/constitution_item/constitution.htm

Bankruptcy Uniformity is NOT a “Free Handout,” but rather a CONSTITUTIONAL RIGHT:

(Preamble) We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America...

Article I (Article 1 – Legislative)

Section. 8.

clause 1: The Congress shall have Power To lay and collect Taxes,...

clause 4: To establish an uniform Rule of Naturalization, and uniform Laws on the subject of Bankruptcies throughout the United States;...

clause 5: To coin Money,...

clause 11: To declare War,... [[Editor's Note: The Congress is NOT given the power to establish “non-uniform” laws on the subject of bankruptcies—and thus does NOT have it. Hashtag: #ReadingComprehension, hello?]]

All our Nation's founders (Thomas Jefferson, James Madison, etc.) were under oppression from merchants and the oppressive government, who did not allow standard consumer protections, and that was a chief reason for the Declaration of Independence from England:

“There are two ways to conquer and enslave a nation. One is by the sword. The other is by debt.”
— John Adams 1826

* <https://www.GoodReads.com/quotes/697421-there-are-two-ways-to-conquer-and-enslave-a-nation>

* Whether this quote is attributed properly, the quote, itself, is true:

* <https://CheckYourFact.com/2019/10/29/fact-check-john-adams-conquer-enslave-nation-sword-debt-quote>

Whether or not this quote is attributed correctly, nonetheless, it is a FACT that the Founding Fathers found the need for bankruptcy laws to be uniform so critically important that they enshrined it in the Constitution. Not merely the “Amendments” to the Constitution, but rather the CONSTITUTION, ITSELF. In fact, the rights to a **Uniform Bankruptcy (Art. I, Sec. 8, clause 4)** was put AHEAD of the **Power to Coin Money (clause 5)** or even the ever-important **Power to Declare War (clause 11)!!**

This ensured that ALL Americans were treated equally: The Uniformity Clause, therefore, is a special type of Equal Protection.

(30) God Almighty supported not merely bankruptcy discharge but OUTRIGHT FORGIVENESS of outstanding debts. Known as the “Jubilee Forgiveness,” described in the Holy Bibles of many claiming to be Christian: Deuteronomy 15:1-2a, Deut. 15:1-11, and Leviticus 25:13, this was something God's people did every seven (7) years! This Old Testament passage is **accepted as “Canon” by both Jews and Christians.**

See in particular this passage: “1 At the end of every seven years you must cancel debts. 2 This is how it is to be done: Every creditor shall cancel any loan they have made to a fellow Israelite. They shall not require payment from anyone among their own people, because the Lord’s time for canceling debts has been proclaimed.” Deuteronomy 15:1-2, Holy Bible (NIV)

(31) Jesus would not approve of a “Bankruptcy for me, but not for Thee” hypocritical double standard, which violates His golden rule, which, by the way, is **in both both Old and New Testaments** of our Bible: LEVITICUS 19:18b, Leviticus 19:34, MATTHEW 22:39b, MARK 12:31b, LUKE 6:31, MATTHEW 7:12.

[Words of our Lord, Jesus, in red.] >> Below...

Application of the Golden Rule: If we're 'OK' stripping Bankruptcy Defense (or outright loan forgiveness)

from helpless kids, but would not allow that burden to be placed on our backs, then we violate the Golden Rule. SOVEREIGN KING JESUS' own words: “**46** And He said, “Woe to you also, lawyers! For you load men with burdens hard to bear, and you yourselves do not touch the burdens with one of your fingers.” “**3** Therefore whatever they tell you to observe, that observe and do, but do not do according to their works; for they say, and do not do. **4** For they bind heavy burdens, hard to bear, and lay them on men’s shoulders; but they themselves will not move them with one of their fingers.” [Christian Holy Bible – Luke 11:46; Matthew 23:3-4, NKJV]

[Words of our Lord, Jesus, in red.]

See also: The Parable of the Shrewd Manager: Luke 16:1-12, which concludes with Jesus saying in v.9: “**I tell you, use worldly wealth to gain friends for yourselves, so that when it is gone, you will be welcomed into eternal dwellings.**” [[Shortened for brevity – *but read it yourself, if you dare: Luke 16:1—12 , if you will.]]*

(32) Alan Collinge – Nationally-recognised Student Debt expert (Google him if you doubt his credentials)

QUOTE: “About Us [] **WELCOME! We’re glad you found us.** [] We are the oldest, largest, and only grassroots group in the nation fighting for student loan justice. We’ve been around for 15 years. We’ve been featured on 60 Minutes, in the New York Times, Wall Street Journal, CNN, CNBC, PBS, NPR, Fox News, MSNBC, Rolling Stone, VICE news, Fast Company, and many, many other places. We are non-partisan. Spread the word about this group. We are it. Unlike EVERY other loan in the country, student loans have been **UNIQUELY** stripped of bankruptcy protections, statutes of limitations, and other protections. The result is an unconstitutionally vicious, predatory, and hyper-inflationary lending system. [] **THIS IS NOT RIGHT. WE DON’T HAVE TO TAKE THIS.** [] We are fighting for the return of bankruptcy protections to student loans. The Founders called for bankruptcy rights in the Constitution. They are on our side. Having the **THREAT** of bankruptcy back on our side is absolutely **KEY** to this fight. Getting this right back (as it exists for all other loans in the country) will help you tremendously, whether you file for it or not. Thankfully, we now have two great bills to fight for: S.1414 (Senate), and HR 2648 (House). [] **RIGHT NOW, WE ARE PUSHING THE PRESIDENT TO CANCEL STUDENT LOANS BY EXECUTIVE ORDER. WE CURRENTLY HAVE 236,000 SIGNATURES AND GROWING.**”

[Editor's Note: This is a bit 'dated' – aka 'outdated': The petition has far more than 236,000 signatures, and, at press time, is closing in on a Million signatures. – Also: Font size was changed a little to make it fit into this format, and the “pushing” link was added—as it appears to have been intended—not in original, but added for clarity. The font colours, boldface, and italics, however, were in original, and left 'as is'.” – Also: The 'double brackets' '[]', indicate a line-break in the original quote –and are added here & elsewhere to make paragraph line-breaks a little more compact & efficient.]

That can spiral out of control, as it did for Alan Collinge. [] “I graduated with degrees in aerospace engineering in 1999. I borrowed about \$45,000 for school. Since that time, my student loan debt has exploded to where currently I owe about \$103,000,” Collinge explains...For some borrowers, the system is unforgiving. ** **NOTE: Old news story (now over 1 Million)**

CONCLUSION: “Reasonable Minds” can disagree on student debt “forgiveness” – but given what the U.S. Constitution clearly says on the absolute requirement that Congress is ONLY allowed to pass uniform bankruptcy code (Uniformity clause, Art.I, Sec.8, clause 4, U.S. Constitution), no one of reasonable mind should be “ok” with BK code which violates the U.S. Constitution in this special type of Equal Protection – thus giving more bankruptcy rights to Credit Card users, Gamblers, or even businesses (who get generous government handouts, tax credits, grants, etc. on our tax dollar), and then file for repeated bankruptcy for huge sums. – Thus, ALL PARTIES (except a few in higher ed swamp who benefit from this Ponzi scheme bubble scam) agree that CONSTITUTIONAL Bankruptcy rights – at the very least – must be returned to student debt to act as a “Free Market” check on obscenely insane (or is it insanely obscene) huge/high egregious lending

excesses – hopefully slowing/stopping this hemorrhage bleedout of our tax dollars to be used to make/back collegiate loans: The Dept of Ed – the lender using YOUR tax dollars – might think TWICE before doing such insane lending if students have bankruptcy defense. <<< BANKRUPTCY: A “Free Market” check on insane lending, here.

THE POLLS

(47) From FORBES:

- **PSLF (Public Service Loan Forgiveness)** – “65% of likely voters in the poll support the Public Service Loan Forgiveness program, which forgives qualifying federal student loans for borrowers employed by nonprofit and government organizations after 10 years of qualifying payments. The program has been riddled with problems...”
- **WIDESPREAD STUDENT LOAN FORGIVENESS:** “67% of respondents, including 58% of Republicans, support some form of widespread student loan forgiveness — whether it is universal, tied to income, or based on specific program eligibility. Only 26% of respondents said student loan debt should not be forgiven.”
- **HOLD EXECES RESPONSIBLE:** “78% of likely voters, and 80% of Republicans, support holding the owners and executives of predatory for-profit colleges personally liable for fraudulent behavior that harms student loan borrowers.”
- **JOB EARNINGS REQUIREMENTS:** “78% support requiring for-profit colleges to show graduating students earn enough to pay back their loans.”
- **“FLY BY NIGHT” CLOSING SCHOOL FORGIVENESS:** “69% of respondents agree that students attending schools that close — so that they can't complete their studies — should have their loans discharged.”
- **GET GOVT OUT ALREADY:** “33% of voters think that for-profit schools shouldn't get federal funds at all. Another 26% think that for-profit colleges, to qualify for federal funds, should have to prove their graduates are earning enough to repay their loans.”
- **BIDEN PROMISES:** “Biden, who had initially been hesitant to endorse broad cancellation of student loan debt, has embraced more dramatic steps to alleviate the burden of student loan debt...Biden would forgive all undergraduate federal student loan debt for borrowers with annual incomes under \$125,000...Biden also supports \$10,000 in across-the-board student loan forgiveness for all borrowers as an economic stimulus in response to the recession. He has also expressed support for Senator Warren's proposal to amend the bankruptcy code to allow student loan debt to be more easily discharged in bankruptcy.”

* **QUOTE:** “A recent study by The Harris Poll finds Americans overwhelmingly support multiple reforms for the student loan debt crisis...Frequently recommended solutions, such as forgiveness of a flat amount of student debt (64%) and forgiveness of all student loan debt (55%), are supported by more than half the country. Additionally, nearly two-thirds of Americans (63%) support forgiveness of all student loan debt for those

working in certain industries like health care, science & technology, or public service. [] **Moreover, Americans show very strong support for other potential solutions including** lower interest rates on students that attend public universities (83%), automatic student loan forbearance if someone loses employment (72%), and **updating bankruptcy laws to get rid of student debt (66%)**. [] Americans also supported changes to the cost of a university education. **Such solutions included restrictions or price controls on the cost of a university education (78%)**, no tuition at public colleges or universities (59%), no tuition for undergraduate schooling (56%), and no tuition for any U.S. college or university (53%).”

Editor's Note: Bold-faced red font added for clarity; not in original. Double brackets [] denote line-break.

* **QUOTE:** “Even Millennials and Boomers, the generation that birthed most Millennials, share concerns around the cost of education. Both generations overwhelmingly support restrictions or price controls on the cost of a university education (81% of Millennials, 80% of Boomers).”

* **QUOTE:** “According to the latest government statistics, 42.3 million people — one in every six adults — have federal student loans, averaging \$36,520 per person. In our study, nearly two-thirds (61%) of student loan debtors say they’re struggling to pay back these loans because of the pandemic.”

Editor's Note: Student Loan Forgiveness for a “flat” amount (64%) or all debt (55%) are supported by Americans, including an astounding sixty-six (66%) percent, almost a “super-majority,” to restore bankruptcy defense, which was removed just decades ago. Another seventy-eight (78%) percent support “price controls” as is done in utilities and other legal monopolies (gas, water, electric, Internet, etc.).

QUOTE: “By large majorities, according to a [new survey by the Harris Poll](#), American adults support forgiving \$10,000 of student debt per borrower -- as well as price controls on higher education costs, automatic student loan forbearance for anyone losing a job, eliminating all student debt for people working in sectors such as public service and enabling individuals to erase student debt obligations through personal bankruptcy.”

QUOTE: “Our [own] survey also confirms the crippling effects of student debt on borrowers -- and the economy. According to the latest government statistics, **42.3 million people -- one in every six adults -- have federal student loans, averaging \$36,520 per person**. In our poll, two-thirds of student loan debtors, including those in households with incomes of \$100,000 and higher, say they’re struggling to pay back these loans...With desperation and regret so rampant, it’s little wonder that so many American adults want the government to do something -- anything -- to alleviate burdens of current borrowers and enable tomorrow’s students to avoid sliding into the same mire. **Of the 10 solutions we offered our 1,015 survey takers, majorities endorsed every single one. Support peaks at 83 percent for low-interest loans for students at public colleges and universities, 78 percent for government price controls on higher education costs, and 72 percent for automatic student debt forbearance for the unemployed. Backing for these fixes was lopsided among every generation, family type and income and racial group. [] What is more surprising is how many Americans embrace certain correctives that were dismissed as impractical and [even socialist](#) during the 2020 election campaign.**”

(999) Like I suggest regarding the list of “spending cuts” supporters, likewise, here: Take this list (and copies of both my columns), advocate to **Lawmakers of both parties**, & get **S.2598** and **H.R.4907** passed into law. We've tried it the “Liberal” way for too long. Now, let's try it my way, lest we crash the dollar:

- Student Loan Bankruptcy defense is not a “Liberal Free Handout,” but rather **required** by the U.S. **Constitution's** Uniformity clause (Art.I, Sec.8, clause 4, if you will) – and:
- Bankruptcy has thus earned the nickname, “**The Economic 2ND Amendment**”—a means of self-defense
- It is also **required** by the “Golden Rule” of at least **three** (3) major religions (Judaism: Leviticus 19:18b, Leviticus 19:34 ; Christianity: Matthew 22:39b, Mark 12:31b, Luke 6:31, Matthew 7:12; and, Islam: Surah 24:22 An-Nur, The Light, on treatment; Surah 2:275 Al-Baqarah, The Cow, on prohibitions of usurious interest; See also: Surah 3:130, The Family of Imran; Surah 4:161, The Women; Surah 30:39 al-Rum aka The Romans)
- **Student Loan Bankruptcy**, student loan **Subsidy Cuts** (using our tax dollars), and **Price Controls** are also our “Conservative alternative” to Liberal free handouts.
- Last, but not least – Bankruptcy operates as a “Conservative Free Market” check on excessive lending – and this undersigned writer predicts that the U.S Dollar WILL crash and the economy will collapse if this **Constitutional** check/balance is not returned.
- BONUS: Things “worked just fine” when we had bankruptcy to regulate/check student lending, and maybe we don't need to “reinvent the wheel” or “fix” something that wasn't broken—but return back to the way it worked just fine.
- BONUS: While this undersigned writer does not support “free handouts” (like free college, etc.), nonetheless, it is his honest estimation that Higher Ed would cost TAXPAYERS less if it was “direct funded” like PUBLIC EDUCATION – with proper price controls, etc.

Bankruptcy defense is, as many have said, a Conservative Free Market check on excessive pork spending of our tax dollars to make/guarantee collegiate loans—thus its restoration would make the Dept of Ed ****THINK TWICE**** before continuing the **hemorrhaging** bleed-out of YOUR tax dollars into the \$Trillions\$ – thereby possibly averting a crash of the U.S. Dollar and collapse of the American economy.
