

Appeal Number: 14-14061-AA ; 14-14066-AA

IN THE
UNITED STATES COURT OF APPEALS FOR THE ELEVENTH CIRCUIT

In the Case of,

John Armstrong, et al. V. James Domer Brenner, et al.

Case 4:14-cv-00197-RH-CAS

AND

In the Case of,

John Armstrong et al. V. Sloan Grimsley et al.

Case 4:14-cv-00138-RH-CAS

MOTION TO FILE OUT OF TIME BRIEF
AMICUS CURIE BRIEF
CLARE ANTHONY CITRO PRIVITE CITIZEN

Comes now Mr. C. Anthony Citro to file this motion
pursuant to FRAP 29 for leave to file an amicus curie brief
in support of the Petitioners in the above-styled case
presently before this Honorable Court for oral argument,
and having been advised by the clerk files this Motion to File Out of Time.

For the record Mr. C. Anthony Citro has never requested consent
to the filing of an amicus curie brief from any of the parties to this case

Mr. C. Anthony Citro requests to present an amicus curiae brief to this Honorable Court in this case because he believes that the Courts Order from the court below is a writ in error, for the most valuable reason being a misapplication and misappropriation of the 14th Amendment in its findings and its rulings for the Plaintiffs/Respondents in this case. And that the 10th Amendment seems to be ignored along with other grounds as stated in the brief.

As a private citizen I believe it is my duty to my community and my State to address this important issue whose outcome will affect all of us in Florida on the grounds of our 1st Amendment constitutional rights to Redress of Grievances.

It is the intention of this brief to allow this Honorable Court to better understand the interests of the government and the citizens of this state by illuminating case law and historical facts surrounding the issues in this case whereas this Honorable Court can arrive at a more balanced analysis of the issues in this case.

Wherefore, Mr. C. Anthony Citro respectfully requests that his motion for leave to file an amicus curiae brief and/or motion to file out of time be granted.

Respectfully Submitted,

Mr. C. Anthony Citro
M.C.A.C.
