GORDON WAYNE WATTS'  
CORRECTED Certificate of Service

After I filed my "Time-Sensitive..." set of motions (enclosed) in this case today (Monday, 09 February 2015) regarding a stay on an injunction set to expire today, The Clerk assigned to this case called me and informed me that I am required to serve a Hard Copy (physical printout) by U.S. Postal mail and/or 3rd Party (Commercial) Courier - and that EF/CMF notification from the Court's Docket did not suffice to effect service.

I apologise profusely for my oversight: On my honour, I believed that we had "gone paperless" when, during my participation as an Amicus Curiae by/of right & with consent of the parties in Brenner (14-14061) & Grimsley (14-14066) I observed almost all attorneys effect service "paperless" and merely relied upon EF/CMF notification of This Honourable Court.

So, in order to "cut corners," I deviated from my usual practice of Service by FedEx and/or U.S.P.S. of "Hard Copy," because I thought I was so permitted.

PURSUANT To the timely request of the Clerk assigned to this case, I now submit the following:

I, Gordon Wayne Watts, hereby Certify that today, Monday, 09 February 2015, I am serving a PHYSICAL PRINTOUT / aka "Hard Copy" - double-sided w/ Green Amicus cardstock cover, of the filing in question, a copy of which is included + attached, to all the parties listed in its certificate of service - by 1st Class U.S. Postal Mail, - excepting This Court, to whom I shall serve by Signature-Registered Delivery-Confirmation version of the U.S.P.S. Service.

I apologise, also, for the hand-written nature of this Corrected Certificate, but I am not in front of my computer + printer, and, to "cut corners," as a poor person, I am forgoing the expensive per-minute Word Processors at this FedEx Office, where I have just printed out twelve (12) more copies of my motions to serve upon the Parties

MONDAY, 09 February 2015

Respectfully Submitted,

*Gordon Wayne Watts*
