Official

On Monday, President-elect Joe Biden affirmed his support for erasing some student debt "immediately."

The provision calls for the federal government to pay off up to \$10,000 in private, nonfederal student loans for "economically distressed" borrowers.

Biden Wants To Help Pay Some Student Loans, But There's Pressure To Go Further
The president-elect called for immediate action to help borrowers who are "having to make choices between paying their student loan and paying the rent."

Take a wild guess at how many loans are excluded by the "private, non-federal" qualifiers.

Hint: it's most of them.
