Title: SCOTT FRANKLIN MUST OBEY GOP PLATFORM  
I've repeatedly asked[[1]] Congressman Scott Franklin to follow "conservative" fiscal principles & obey the GOP's platform[[2]]: "The federal government should not be in the business of originating student loans," yet he never responded or acted to avert a crash of the dollar: Student Debt, at almost TEN PERCENT of U.S. Debt[[3]], WILL crash the dollar if not addressed! I finally got "face time" with him at a Sat.5-14-2022 GOP Rally at Sun-N-Fun[[4]], and asked him[[5]] if he'd obey the GOP's platform, giving him a copy of my press inquiry. [[6]] To his credit, he didn't cut-and-run, promising "I will check it out; you have my commitment on that." It's been over a week, and I haven't heard back. However, only a threat of bankruptcy by student borrowers will deter the Education Dept from insanely lending trillions, making higher ed lobbyists back off. If you disagree, please explain why ZERO GOP lawmakers have tried to do so. Otherwise, lawmakers should join Republicans Josh Hawley and John Cornyn and Chairman Durbin on S.2598, a bipartisan student loan bankruptcy bill. [[7]]

**SCOTT FRANKLIN MUST OBEY GOP PLATFORM**

Dear Editor:

I've repeatedly asked Congressman Scott Franklin to follow "conservative" fiscal principles & obey the GOP's platform: "The federal government should not be in the business of originating student loans," yet he never responded or acted to avert a crash of the dollar: Student Debt, at almost TEN PERCENT of U.S. Debt, WILL crash the dollar if not addressed! I finally got "face time" with him at a Sat.5-14-2022 GOP Rally at Sun-N-Fun, and asked him if he'd obey the GOP's platform, giving him a copy of my press inquiry. To his credit, he didn't cut-and-run, promising "I will check it out; you have my commitment on that." It's been over a week, and I haven't heard back. However, only a threat of bankruptcy by student borrowers will deter the Education Dept from insanely lending trillions, making higher ed lobbyists back off. If you disagree, please explain why ZERO GOP lawmakers have tried to do so. Otherwise, lawmakers should join Republicans Josh Hawley and John Cornyn and Chairman Durbin on S.2598, a bipartisan student loan bankruptcy bill.
