James, this is Gordon, the Conservative journalist, columnist, and blogger with whom you have previously communicated. As a journalist, I must be (and am) unbiased and fair to all. But, in my personal capacity (and when writing commentary and opinion pieces), I have a right to express my own views—and am, thus, able to offer an endorsement of **\*\*you\*\*** without violating journalistic standards regarding “objectivity vs bias.”

I discovered the disturbing breaking news about President Trump flip-flopping and disrespecting you & other patriots who oppose RINO Laurel M. Lee, the incumbent Member of Congress for our district, FL-15. (By his endorsement of RINO Lee.)

Therefore, you may, if you like, cite me (screenshot my emails and texts—or better yet, you might PDF print this email, here, **\*\*\*in its entirety and publish it\*\*\***) as a “very heavy weight” Conservative activist who endorses you; as proof of my “heavyweight Conservative” Credentials, you recall I almost won the 3rd largest pro-life case since Roe, all by myself, doing better even than Gov. Jeb Bush who lost 7-0 – on the same case and before the same panel. I almost won, remember? My 4-3 loss, seeking to be Schiavo's Next Friend (aka guardian) resulted in a narrow 4-3 split decision, a bitter loss for the pro-life side, as you might recall:

But to see my FULL resume, see my staff entry under my father's entry, and, for the record, I give a "split endorsement" to you and Jen Barbosa, your other GOP primary opponent. I know you'd prefer a full endorsement, but I must be an honest Christian first and then a political partisan: unless or until I hear otherwise, the differences you two have are "*de minimus*," a legal term with which you are familiar.

Maybe Lee ought to consider, maybe, obeying the GOP Platform, here, and at least trying to cut prohibited liberal pork student loan originations spending – if she wants my endorsement, but I doubt she will do the right thing: Even when we held a majority with a GOP House, Senate, & held the oval office twice in recent decades, GOP lawmakers didn't try to cut this pork, so, my estimation is that we'll crash the dollar and/or incur hyperinflation unless either an unlikely miracle intervenes (unlikely) or collegiate debt bankruptcy is first reinstated, like it was in our grandparents' time, so it would – once again – operate as a Conservative Free Market "check/balance" on excessive lending/spending by Dept of Ed – and (more-importantly) send a message to lobbyists to "back off" & see the "handwriting on the wall," so weak lawmakers (like Lee) will do the right thing. She seems unlikely to support either bankruptcy uniformity (see US Constitution Art.I, Sec.8, cl.4) or cuts to liberal pork spending, so I see it unlikely she'll get my endorsement. Just saying.

I hope this helps:

I am incredibly honored and humbled to have President Trump's endorsement. When he is elected in November, I vow to work alongside him as an America-first conservative to reverse the policies of the Biden administration, including the crisis at our southern border.

With all due respect, **Congresswoman Laurel Lee** -- Atty Lee: Both you and President Trump have repeatedly promised to cut Liberal pork spending:

We did news & commentary supporting his efforts here:

While President Trump gave up (a very huge disappointment here!), he at least tried, and I do not consider him a RINO, but Atty. Lee, with all due respect, it is well-documented that you NEVER tried:

Proof that almost 100% of all Republican lawmakers are hypocritical RINOS who refuse to even TRY to obey our GOP platform's plank prohibitions against taxpayers funded student loan originations spending using MY tax dollars:

Look, I'm not trying to be mean, but your legislative record is that of a tax/spend RINO, and Mr. Trump's endorsement of you surprises (disappoints, even angers)me, and I'm wondering whether he has drifted to The Left.

Why should I not vote for Jen Barbosa or James Judge in my upcoming GOP primary?

You and Mr. Trump have high disregard for our GOP Platform!! Look again, please, and again, now why should I vote for you and not a genuine Conservative?

QUOTE: On page 35 of the Republican Party Platform, we see the GOP clearly says: “The federal government should not be in the business of originating student loans.” (1ST sentence of last paragraph, near bottom-right of page) [Editor's Note: This is page 42 of 66 of “PDF” page numbers, but the writer labels this as page “35,” since the first 7 pages weren't given regular page numbers.] Source: “REPUBLICAN PLATFORM 2016,” used under Fair Use for commentary, criticism, &research.
