What Trump did or did not do - WHAT Trump said or did not say - was done as a private citizen - and I don't condone it - HOWEVER - what Bill Clinton DID was when he was president of the United States - When he Lied about it he was President of the United States - When Hillary defended him SHE was our "FIRST LADY" - and don't for one minute think that the "Ladies" either men were with weren't out to improve their "positions" in life -

DNC/Hillary got hacked, but not RNC/Trump. I trust Trump to get secure technology, & not be careless.

A Message To Women Voters About Trump

Dennis Michael Lynch held nothing back in his daily report Friday as he outlined how women's safety will be in danger if Hillary Clinton wins the election. Quoting his recent comments, he said:

"If Hillary Clinton is elected president, women in this country have a greater chance of being molested, raped or killed by the criminals that are coming across the U.S. border every day by the thousands."

He pointed out that Clinton has already stated she wants open borders, and the crimes being committed against women and children by illegal immigrants will only increase."

"Donald Trump may not be your favorite person in the world, but he's going to protect women in America in a way that Clinton never will."

Fact-checking this claim: <http://www.politifact.com/florida/statements/2016/jul/18/rudy-giuliani/rudy-giuliani-wrongly-says-hillary-clinton-open-bo/> rates Rudy Giuliani's claim that Hillary is for "open borders" as false, but even the liberal Chicago Tribune quotes her saying that:

["My dream is a hemispheric common market, with open trade and open borders, sometime in the future with energy that's as green and sustainable as we can get it, powering growth and opportunity for every person in the hemisphere," Clinton reportedly said to investors in a paid speech she gave to

However, even the VERY liberal PolitiFact admit that: "The leaked excerpt does contain the words "open borders,"" while somehow falsely still clinging to the bizarre conclusion that this alone doesn't make Trump's claim correct: <http://www.politifact.com/truth-o-meter/statements/2016/oct/12/donald-trump/trump-ive-been-proven-right-about-clinton-wanting-/>

Moreover, even the liberal Washington Times confirms this:

The NY Post is a daily newspaper that has operated continuously since its founding by Alexander Hamilton in 1801, and it claims to be the oldest daily in the United States and it is the 13th oldest newspaper in the country. -- Lastly, even New York's liberal NY Post, confirms this to be true. If you are Gay, Why are you voting for Killary when she wants to bring in thousands of refugees that believe all Gays should be executed?

If you are Black, Why are you voting for Killary when she admires Margaret Sanger and defends Planned Parenthood who want to abort as many black babies as possible? Exterminate the black race because they are like "weeds". (Margaret Sanger quote) Most of those clinics are in Black neighborhoods.

If you are a Christian, Why are you voting for Killary when she wrote her Senior thesis on Saul Alinsky who dedicated his book 'Rules for Radicals' to Lucifer (the Devil)? She says he was, and still is her mentor.

If you are a Veteran, in the Military, or closely related to a Military member, Why are you voting for Killary when she left those men to die in Benghazi and had the nerve to lie about it over and over again? They called for help but the help was told to stand down.

If you have a factory job, Why are you voting for Killary when she supported TPP? Factory workers are being laid off because jobs are going over seas. Don't forget the deals she's made with China! She also welcomes open borders and illegals to get benefits to be paid with Your tax money.

If you are poor, Why are you voting for Killary, when she is supporting Wall street and all the big banks? Big banks keep poor people poor by destroying the poor man's credit by allowing medical bills and collections to affect your credit scores so you can pay higher interest rates than the rich; Taking much of the little money you earn.

If you are a Woman, how can you vote for Killary when she has buried all of Bills rape victims under the rug, including that little girl that was raped? Lawyer Killary defended the rapist, and then she laughed about it later, knowing that he was guilty.

If you carry a gun, or believe in the Constitution; How can you vote for Killary when she wants to eliminate the NRA, Take your guns, and abolish the second Amendment?

If you breathe, Why would you vote for Killary when she and Bill's Crime family have left a trail of dead people that did not agree with her, or they knew too much? Who is left? God Bless America!
