TO: Speaker, Mike Johnson

SUBJECT: ! Short Press Inquiry to Speaker Mike Johnson

FROM

DATE: Wednesday, 25 October 2023

Same press inquiry to you, Congressman Johnson:

Short version-- yes or no regarding 2 legislative matters:

#1.) First, will you file and advocate/support legislation to reduce/eliminate liberal pork student loan originations spending-- as page 35 of our Republican Party's official platform requires. YES//NO

Tip: I would pick YES, as even the excellent lawmaker, Kevin McCarthy ran afoul angry Conservatives (like Matt Gaetz, and this undersigned Conservative reporter/ investigator/ columnist/ blogger), and got him ousted.

#2.) Secondly, will you join rock-solid Conservative lawmakers, John Cornyn, Josh Hawley, and Glenn Grothman on their various student loan bankruptcy bills from last session?

Tip: I would not oppose them here, Speaker Johnson, as even Art.I Sec.8 Cl.4, US CONSTITUTION'S BANKRUPTCY UNIFORMITY Clause requires, and is our Conservative alternative to Liberal free handouts.  
MOST IMPORTANT POINT OF THIS COMMUNICATION: Only with bankruptcy self-defense as a Conservative

Free Market check on profligate spending by the US DEPT of Education will #1 above be politically possible, and if you disagree, please explain why GOP lawmakers-- for decades even-- have refused to obey our Republican platform regarding its prohibitions against taxpayers funded student loan originations spending-- in the trillions even, and almost ten (10%) percent of total US DEBT, the largest pork discretionary spending in the budget. BONUS: If you oppose student loan bankruptcy legislation, you will be richly and rightly viewed as a double standard hypocrite on this, saying effectively: "Bankruptcy self-defense for me but not for thee oh plebiscite college students," and this is not unlike rich Liberals who want 2nd Amendment rights for themselves, and their private security, but would defund and disarm police and ordinary citizens. LASTLY, I stand by my prediction-- if student loan bankruptcy legislation isn't filed, we WILL crash the dollar because there will be insufficient Conservative Free Market checks on profligate spending by DOE to push Swamp lobbyists back and make #1, above, a politically viable reality.

I look forward to your prompt reply on these 2 points, and the longer version-- if you need details-- is in our original press inquiry text below and the linked resources and attached research.

With kind regards, I am, Sincerely,

Gordon W. Watts, Natl Dir, CONTRACT WITH AMERICA: PART II®™

**Subject:** Short Press Inquiry to Jim Jordan  
**Date:** Monday, 23 October 2023

**Dear Congressman Jordan:**

I have a very short, 2-part (yes or no type) press inquiry, but the subject matter is both complex and emotional (and I fear you will screw up again, as you have already), so I shall include a forwarded email and attached research to help you (should you need to look deeper).

While you and I would both probably find it "easier" to just get me a brief answer to my short, 2-part Press Inquiry, here, I fear you will need to read my email/attachments, below, and given the headache I know that will entail, I shall posit 3 arguments "for" carefully reading all this (or getting a few senior staff to), especially given I'm a Conservative reporter/ columnist/ politico whom you may not have heard of-- and below that, my brief 2-part Press Inquiry with supplemental or optional comments:

1) You (and all other) GOP lawmakers keep getting shut down due to having alienated and angered "too many" lawmakers in both the Republican and Democrat parties, and your situation is "not good," in fact, very dire. Besides making all GOP Republicans everywhere (lawmakers, and ordinary Americans like me) look like clowns, you are threatening to crash the dollar by your stubborn and obstinate refusal to cut key pork spending. "Not good."

2) Notice the cc line, please, and know the world is watching.

3) Since you haven't heard of me, here are a few of my accomplishments to verify that I'm not just some "big mouth" with a website that is "his name dot com."

By way of introduction, I'm Natl Dir of CONTRACT WITH AMERICA: PART II®™, Registered Trademark, which should speak for itself. Moreover, here are but a few of my heavy-weight Conservative creds

PRESS INQUIRY PROPER:

### 1) REPUBLICANS / CONSERVATIVES SEEK ANSWERS:

Conservatives and Republicans everywhere -- including Matt Gaetz, myself, and numerous others are very disturbed, angered, and disappointing at you for refusing to even \*try\* to reduce or eliminate \$\$\$TRILLIONS\$\$\$ of my tax dollars being used to originate (make) student loans to students who can/will NEVER repay these over-inflated costs of college. While "much" pork exists, nonetheless, student debt, at over \$2 trillions, with a T, is almost ten (10%) percent of total U.S. Debt, and also the largest area of discretionary pork spending in the budge-- and --with our about \$33 Trillion Natl debt, YOU WILL CRASH THE DOLLAR, collapsing the economy if you don't get your act together.

There are three ways you can answer me here:

A)) do nothing and risk disaster.

B)) craft a well-spoken response to my press inquiry, addressing in detail why you haven't even tried to stop federal student loan originations, even though page 35 of the official REPUBLICAN PARTY PLATFORM clearly requires such.

C)) You might do like Sen. Josh Hawley's office did, when I had a similar press inquiry: they never responded directly, but hours later, I got an email from Congress.gov showing he signed on as cosponsor to the bill he supported in committee comments, and further described at <https://GordonWatts.com/#GOP> or

<https://GordonWayneWatts.com/#GOP>

### 2) DEMOCRATS / LIBERALS SEEK ANSWERS:

Kevin McCarthy worked, across the aisle, with Democrats on issues in a way that didn't compromise his -- our -- Conservative values, and both Dems/Liberals as well as the undersigned reporter are very disappointed that you have not joined Sens. Cornyn, Hawley, and Durbin on S.2598, a bipartisan student loan reinstatement bill from last term, or joined Congresswoman Glenn Grothman on his student loan bankruptcy bill, H.R.4563, also from last term.

Speaking only for myself, but others will agree, I view you as a "double standard" hypocrite, as you tell college students "bankruptcy self-defense for me but not for thee," something that also, I'm sure many will agree, your stance is not in agreement with the "golden rule" of both Moses (Leviticus 19:18, Leviticus 19:34) and Jesus (Matthew 22:39, Mark 12:31, Luke 6:31, Matthew 7:12, etc.).

This is offensive both to people of faith, even also to atheists and agnostics who have a conscience, as they-- too-- were/are created in the image of God.

Jim-- there are three ways you can answer me here:

A)) do nothing and risk disaster, as bankruptcy is the only Conservative Free Market check on profligate spending we haven't tried (see the PDF print attached in this email of Congr. Glenn Grothman's press release that explains it better than I).

B)) craft a well-spoken response to my press inquiry, addressing in detail why you haven't even tried to stop federal student loan originations, even though page 35 of the official REPUBLICAN PARTY PLATFORM clearly requires such.

C)) You might do like Sen. Josh Hawley's office did, when I had a similar press inquiry: they never responded directly, but hours later, I got an email from Congress.gov showing he signed on as cosponsor to the bill he supported in committee comments, and further described at <https://GordonWatts.com/#GOP> or

<https://GordonWayneWatts.com/#GOP>

Closing comments: We I spoke to Virginia Foxx, while she didn't give a direct answer to my question, nonetheless, she is a genuine Christian who is open-minded and said she'd consider my free market arguments for the various student loan bankruptcy bills, including Grothman's bill, when I reminded her Grothman and myself are NOT Liberals, AT ALL, ok? But-- while Dr. Foxx has NOT said anything negative about you, when your failure on these 2 key points alienated and offended both scored of Democrats and Republicans alike, I will: Sir, you make us look like clowns, and I am very displeased, but I am a Christian FIRST, and then a Conservative Republican, ok? Therefore, while Virginia is afraid to say it, I will not: You, sir, are threatening to tarnish Dr. Foxx's stellar Conservative track record here: She actually WANTS to eliminate the Dept of Ed, but feels powerless. So, if you care about her, and fellow-Americans on both sides of the political spectrum, I suggest a "strategy" to address concerns on both sides: The student loan bankruptcy legislation would show Democrats you care about them, without compromise of Conservative values, while also forcing down irresponsible lending excess in Dept of Ed, and make the spending cuts legislation for student loans politically viable (obviously it hasn't been up to now, so I'm telling you what to do to make spending cuts possible: Support the various student loan bankruptcy bills FIRST, then this would push back Swamp higher ed lobbyists who -- then -- would see the handwriting on the wall.

The "Top 10" list of reasons for #2, student loan bankruptcy legislation, is in the very bottom of the unable version of our original press release and is attached as a PDF file.

I look forward to an official response f5om you -- and all visible Cc recipients.

With kind regards, I am, Sincerely,

/ Gordon Wayne Watts /

**I'm casting my vote for Jim Jordan to become our next Speaker - he can set the House on the right path.**

**It's time to move forward. It's time to unite. It's time to get our House in order and continue delivering upon our commitment to the American people.**

#### **RESPONSE BY GORDON WAYNE WATTS:**

**! UPDATE:** Since I posted this, I see Jim Jordan fail, because "you all" (tone deaf lawmakers in both parties-- particularly my GOP fellow-Republican lawmakers) didn't listen to my sage advice, so I'll summarise the 2 key problems you need to overcome if you want to win & regain honour--and work with Democrats to cooperate, Ok?

**1) ANGRY CONSERVATIVES!!** First, Jim Jordan & other RINOS angered me, Gaetz, & other CONSERVATIVES by his STEADFAST REFUSAL to even ATTEMPT to cut Liberal pork -- such as the "epic fail" student loan originations spending.

**! ALERT! !** Student debt, at over \$2 Trillion, is THE LARGEST AREA OF LIBERAL PORK DISCRETIONARY SPENDING, and almost ten (10%) percent of total US DEBT. And we, Republicans, need to stop blaming helpless high school students just trying to obey parents and GET EDUCATED, and, instead, take personal responsibility for this, as it's OUR FAULT, ALL CAPS == YELLING!! (As we have a shortage of doctors, nurses, engineers, students have no choice but to go to college, at any cost, so telling students to "not go" if tuition is too high is crazy, stupid, and dangerous-- **shortage of doctors, hello?**)

Here are tips to reverse the loan limits increase bills RINO John Boehner passed:

And: <https://Web.Archive.org/web/20230610084509/https://ContractWithAmerica2.com/#pork>

**2) ANGRY LIBERALS!!** Next, Jordan & other hateful "double standard" RINOS support a "bankruptcy self-defense for me, but not for thee" double standard regarding collegiate debt aka Constitutionally-protected bankruptcy uniformity. While student loan bankruptcy RESTORATION AND REINSTATEMENT as a needed Conservative Free Market check on profligate spending by the US DEPT of Education for student loan originations spending is in DEMOCRAT platform (and not in our Republican platform), still, I'm a Christian and Constitutional Conservative **FIRST**, and **then** a Republican, and we must be honest & admit Dems are actually more right-- more Conservative-- here. Here are tips for student loan bankruptcy legislation-- with a reminder

that **#DoubleStandard** Jordan angered Democrats & Liberals by his failure to support corrective legislation, such as the bipartisan S.2598 by Cornyn, Hawley, & Durbin or Conservative Congressman Glenn Grothman H.R.4563, another good student loan bankruptcy bill, or even H.R.9110 (Rep. Nader's bill), S.4772 (Sen Rick Scott's clawback), or H.R.4907 (Rep. Steve Cohen's bill for private student loans, which I think has been refiled this 118th session).

Before moving on, I want to comment that numerous, unnamed, Republican say things like "I don't want students to have bankruptcy self-defense, because it'll cost taxpayers money." You (and you know who you are, but I shall be respectful and not name you) are talking like Gun-Grabbing Liberals who want to defund the police and say "I don't want police & honest Americans to have guns & 2nd Amendment self-defense, because it'll cost lives by gunshot victims." WRONG!! When cops & good citizens have guns, crime goes DOWN, and likewise, when student borrowers have bankruptcy self-defense, trillions in wasteful tax\$\$ predatory lending WASTE goes DOWN. Please, don't be a liberal here, my fellow-Republicans, ok?

All five bills, above, are from the 117th, eg, last session and should be refiled, passed, and signed into law, lest we crash the dollar from collegiate loan originating spending excesses, ok?

Lastly, friendly reminder YOU ALL, plural, will collapse the economy and crash the dollar if you keep plugging your ears and ignore needed, timely, sage advice:

Besides guaranteei a crash of the dollar, ALL LAWMAKERS -- ESPECIALLY HOUSE REPUBLICANS -- LOOK LIKE IDIOTS and make "common man" Republicans like ME look like idiots. Please, stop it already!! 🚫 Please read this, my last few email, and the web resources, if you still are genuinely confused.

Sorry for my anger, but I speak for millions of frustrated Americans. I pray for all my leaders-- and staff-- and wish you the best. TRY AGAIN.

⚠️ END UPDATE-- Here's my original reply, which you didn't heed, and much to the dismay of REPUBLICANS everywhere. Come on, Dr. Foxx, please try again, this time the right way, ok? ⚠️ END UPDATE--

Respectfully, Dr. Rep. Virginia Foxx, Jim Jordan refuses to act to cut the largest area of discretionary pork spending, namely the over \$2 Trillion with a 'T' in student debt that resulted from student loan originations spending-- PROHIBITED by the very REPUBLICAN PLATFORM you, yourself, coauthored, and as well-documented at <https://ContractWithAmerica2.com/#pork>

I appreciate you taking time to speak with me when Atty. Dennis Ross (happy birthday 🎂, Dennis!) hosted your talk when visiting Lakeland's SEU this past February 2023, but -- unless Jim Jordan gets his act together and OPPOSES this toxic pork (instead of blaming high school students just trying to obey parents and GET EDUCATED), I will recommend to Congresswoman Laurel Lee and Congressman Scott Franklin (our Central Fla delegation) to NOT vote Jordan.

I wish you the best, but -- as Dennis might say -- Respectfully, I urge you to support Conservative spending cuts here, and please review my tip regarding using bankruptcy self-defense as a Conservative Free Market check on profligate spending by the US DEPT of Education offered by Constitutionally-protected bankruptcy uniformity, see Art.I Sec.8 Cl.4, US CONSTITUTION'S BANKRUPTCY UNIFORMITY CLAUSE.

P.S.: the bipartisan S.2598 (STUDENT LOAN BANKRUPTCY BILL, remember?) from last session, sponsored by Sens. Hawley and Cornyn (rock solid Conservatives) and Durbin, would garner helpful Democrat support while forcing down irresponsible lending/spending on student loan originations, and maybe win him the Speakership. Just a thought.

**Get Truth.**

**"First, they [Nazis] came for the Jews. I was silent. I was not a Jew. Then they came for the Communists. I was silent. I was not a Communist. Then they came for the trade unionists. I was silent. I was not a trade unionist. Then they came for me. There was no one left to speak for me." (Martin Niemöller, given credit for a quotation in *The Harper Religious and Inspirational Quotation Companion*, ed. Margaret Pepper (New York: Harper & Row, 1989), 429 -as cited on page 44, note 17, of *Religious Cleansing in the American Republic*, by Keith A. Fornier, Copyright 1993, by Liberty, Life, and Family Publications.**

**Some versions have Mr. Niemöller saying: "Then they came for the Catholics, and I didn't speak up, because I was a Protestant"; other versions have him saying that they came for Socialists, Industrialists, schools, the press, and/or the Church; however, it's certain he DID say SOMETHING like this. Actually, they may not have come for the Jews first, as it's more likely they came for the prisoners, mentally handicapped, & other so-called "inferiors" first -as historians tell us -so they could get "practiced up"; however, they did come for them -due to the silence of their neighbors -and due in part to their own silence. So: "Speak up now or forever hold your peace!"-GWW**
